

SCOTCH DOUBLES TOURNAMENT

Information & Rules

Cost: \$10.00 per team (\$5.00 p/person)

Rules:

- Double elimination
- Each match will be a race to ONE (ie. Opposing teams will only play one game together. The winner of that game advances and the loser will be in the Loser's bracket. Two losses and you're out of the tournament.)
- Scotch Doubles play rotating partners after each shot
- League Rules (ball in hand, safeties, fouls, MARK YOUR POCKET ON THE 8, etc.)
- Each team will consist of 2 players that cannot exceed a total handicap of 9 (ie. A 7 and a 2 could partner up, but a 3 and a 7 cannot partner up.)
- You may talk strategy with your partner when the opposing team is shooting, but you CANNOT talk strategy with your partner while your team is shooting. You must finish all discussion before you approach the table. If you do talk strategy with your partner while your team is shooting, the result will be a ball in hand to your opponent. Please remember that if the other team does not know what you are talking about, it could be mistaken for talking strategy and result in a foul.
- If you have any questions, please ask the person running the tournament.
